

Biography

Sasa Grandic

Sasa Grandic, born in 1977 and raised in the Frankfurt multicultural district Gallus, has been develop high interest in electronic music very early. From Miami Bass to Hip Hop he finally focused his main interest in the 90ies in Techno and House music. He spend many nights in the legendary Frankfurt Club OMEN, where he watched 'uncle Sven' (Sven Väth) spinning records. Some people said, Sasa was rooted beside the DJ stand. His interest in DJing quickly resulted in his own activism. He wanted to produce his own beats and grooves. Together with his old buddy, Co-Gallusianer and Label founder Marco Riemann they launched the formation ORBIT STARZ. The two boyz even made it to be released through the cult label POKERFLAT.
